CELEBRATING THE 136TH ANNIVERSARY OF ST. JOHN MISSIONARY BAPTIST CHURCH

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, June 18, 2012

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I rise today to congratulate St. John Missionary Baptist Church on the historic occasion of its 136th year anniversary. From its most humble beginnings in 1876, the church has grown to provide a wealth of spiritual guidance and stewardship to so many in the Dallas area.

Like the structure that houses its congregants today, St. John Missionary Baptist Church has been a bedrock of devotion and service to thousands in the community over the years. The church's call to action for decades has been "Where Christianity is a business and not a sideline," and so many have taken up that call to provide leadership and evangelism to their friends and neighbors.

I want to acknowledge the church's current pastor, the Reverend Bertrain Bailey for his stalwart commitment to outreach in his ministry, and the leadership and guidance he has provided.

Mr. Speaker, please join me in congratulating St. John Missionary Baptist Church on their 136th year in service to God and their community. St. John Missionary Baptist Church has fed the souls of generations in Dallas and the surrounding communities, and may it in its blessings continue to prosper and grow in the years to come.

IN RECOGNITION OF STAR ISLAND CORPORATION AND THEIR SUCCESSFUL RESTORATION OF THE HISTORIC GOSPORT REGATTA

HON. FRANK C. GUINTA

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Monday, June 18, 2012

Mr. GUINTA. Mr. Speaker, it is with great pleasure that I congratulate the non-profit Star Island Corporation for their successful restoration of the historic Gosport Regatta.

The Star Island Corporation has owned and maintained Star Island for almost 100 years. As part of the National Historic District located on the Isles of Shoals, the Corporation was desirous of re-creating a historic moment in time for the benefit of today's retreats and conferences on the island. Research into the 1875 Gosport Regatta, which was held to celebrate the opening of the Oceanic Hotel on the island, revealed that the race was won by the America, the yacht for which the America's Cup is named. The Captain and owner of the America, General Benjamin Franklin Butler, played a pivotal role in the creation of the Emancipation Proclamation issued by Presi-

dent Abraham Lincoln and the restoration of the Gosport Regatta allows for recognition of this important historical connection to the Star Island Retreat and Conference Center, on the Isles of Shoals in Rye, New Hampshire.

I commend the Board of Directors and the Staff of the Star Island Corporation for their time and efforts on this restoration, and wish you all the best for continued success in the future.

HEALTH CARE COST REDUCTION ACT OF 2012

SPEECH OF

HON. LORETTA SANCHEZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 7, 2012

Ms. LORETTA SANCHEZ of California. Mr. Speaker, I rise today to discuss my vote on H.R. 436, the Protect Medical Innovation Act of 2011. As many of my colleagues know, I helped lead the charge throughout the 2010 healthcare debate to ensure the medical device industry was not overly burdened by the Patient Protection and Affordable Care Act (ACA). During negotiations on the final healthcare bill, I made it a point to argue that overly taxing the medical device industry would stomp innovation, affect patient care quality and burden an already struggling job market. When we came together to discuss health care reform, we agreed that it was necessary for everyone to contribute in order to ensure a successful outcome. That is why I fought tirelessly, within my own caucus, to make sure the bill was responsible in the way Congress paid for the legislation.

As we approach the 2014 deadline of final implementation for ACA, many uncertainties have arisen from both the general public and business community. The Republican Majority has addressed this growing concern with an onslaught on key revenue provisions of the ACA. In fact, they have paid for those repeals by targeting programs from those individuals who need ACA the most. For that reason, I was forced to vote against H.R. 436, which CBO estimated, if enacted, could remove over 350,000 individuals off of health care. Given that many of my constituents rely on the health care benefits provided by the ACA, I could not support this bill as written.

However, as the full implementation moves forward, I will continue to monitor the effects of this legislation on the medical device industry. If the capacity that is anticipated to flood the markets does not become realized, I am ready and willing to work with the medical device industry to unburden them of any unnecessary taxes, while responsibly ensuring that the rest of the ACA moves forward.
